1. Introduction

The Corporate Social Responsibility Policy (“**CSR Policy**”) of Indegene Limited (“Indegene” and/or “**Company**”) provides guidance on the vision, principles and governance of Corporate Social Responsibility (“**CSR**”) initiatives to be implemented by the Company. The policy would ensure compliance to Section 135 of the Companies Act, 2013 and the Companies (Corporate Social Responsibility Policy) Rules, 2014 (“**Rules**”), each as amended from time to time and the notifications and circulars issued by the Ministry of Corporate Affairs from time to time and the rules framed thereunder (“**CSR Regulations**”). In the event of any inconsistency or discrepancy between this CSR Policy and the CSR Regulations, the provisions of the CSR Regulations shall prevail.

2. Our CSR Vision

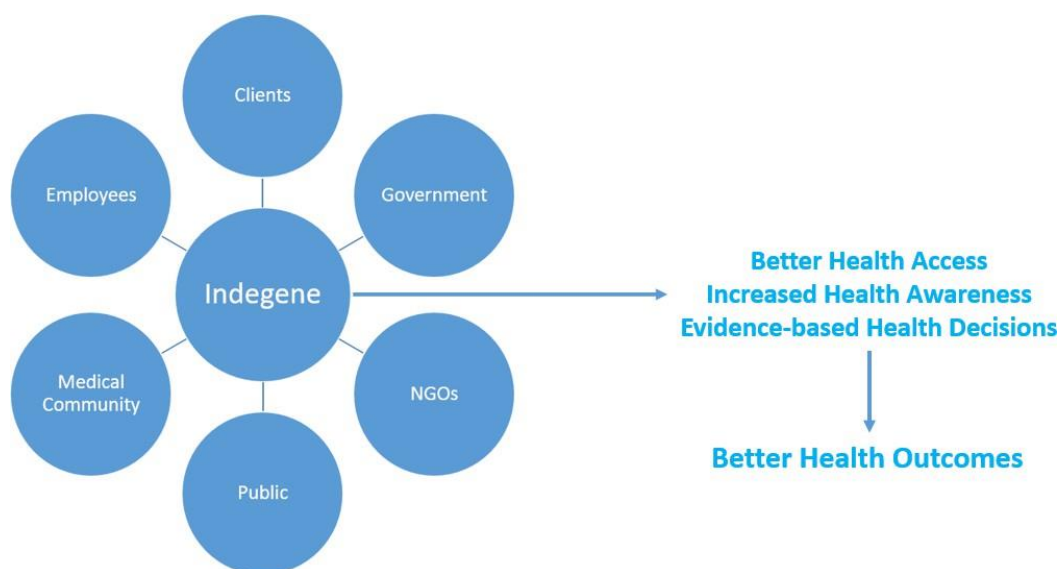

At Indegene, we believe that our corporate mission “to create and deliver solutions for health care and life sciences today and tomorrow by integrating our expertise in technology, medical science, and communications” not only drives our business activities but also represents the essence of how we can contribute to the social development and betterment of our community, country and the world.

Consequently, we view our business goals to deliver value to our clients, employees and shareholders as being co-existent and aligned to our CSR to meaningfully contribute to the development and sustainability of the societies that Indegene is a part of and to undertake socially useful programs. It is imperative on us as a responsible corporate citizen to “do good while doing well”.

Our CSR Policy and initiatives revolve around harnessing our medical and technology expertise and combining it with the collective desire of our team to make an impactful contribution to improving the health of our society.

We believe that equitable access to healthcare is a fundamental human right and is a core constituent of social and economic development. We also believe that health awareness and education are important engines for the improvement of health outcomes in our society.

We therefore partner with a wide spectrum of stakeholders to enable universal access to healthcare, to develop and deliver solutions that serve to increase health, wellness and disease awareness among the public at large and to enhance the level of education among health professionals.

3. Composition of the Corporate Social Responsibility Committee (“CSR Committee”)

The CSR Committee shall comprise of three or more directors, out of which at least one director shall be an independent director.

4. Scope of the CSR Committee

The CSR Committee will carry out the following functions:
