1. INTRODUCTION

Section 177 of the Companies Act, 2013 and relevant rules framed thereunder, each as amended (**“the Act”**), requires every listed company and the companies belonging to such class or classes to establish a vigil mechanism for the directors and employees to report their genuine concerns.

Further, Regulation 4(2)(d)(iv) and Regulation 22 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (**“the Listing Regulations”**) *inter-alia* provides for a mandatory requirement for all listed companies to establish a vigil mechanism /whistle blower policy enabling stakeholders, including individual employees and their representative bodies, to freely communicate their concerns about illegal or unethical practices.

Accordingly, this Whistle Blower Policy (**“the Policy”**) has been formulated with a view to provide a mechanism for employees of the Company to raise concerns on any violations of legal or regulatory requirements, incorrect or misrepresentation of any financial statements and reports, etc.

The Policy was adopted by the Board at its Meeting held on 25th March 2024 and in compliance with the Act and the Listing Regulations.

2. OBJECTIVES

The Company is committed to adhere to the highest standards of ethical, moral and legal conduct of business operations. To maintain these standards, the Company encourages its employees who have concerns about suspected misconduct to come forward and express these concerns without fear of punishment or unfair treatment.

This Policy aims to provide avenues for employees to raise concerns on any violations of legal or regulatory requirements, incorrect or misrepresentation of any financial statements and reports, etc.

The Whistle Blower Policy intends to cover serious concerns which could have grave impact on the operations and performance of the business of the Company.

The Policy neither releases employees from their duty of confidentiality in the course of their work, nor is it a route for taking up a grievance about a personal situation.

While this Policy is intended to protect genuine Whistle-blowers from any unfair treatment as a result of their disclosure, misuse of this protection by making frivolous and bogus complaints with mala fide intentions is strictly prohibited. Personnel who make a complaint with mala fide intention and which is subsequently found to be false will be subject to strict disciplinary action.
